

The Multistate Trust Cannot Pay Personal Injury or Property Damage Claims

The Multistate Trust was created to own and clean up contamination at many former Tronox/Kerr-McGee sites, including the Site in Pioche.

Multistate Trust funds can be used **only** for cleanup, site management, and property reuse planning activities.

Multistate Trust funds cannot be used to pay personal injury claims, such as health and medical bills, or property damage claims.

If you have questions about personal injury or property damage claims, you should contact the Tronox Tort Claims Trust at (800) 753-2480 or tronoxorttrust@epiglobal.com.

Visit www.tronoxorttrust.com.

If you have questions about Site investigations, cleanup plans, or potential future uses, you should contact the Nevada Division of Environmental Protection (NDEP) or the Multistate Trust.
